Mid 1920's Book Plate Print Published by Southern Railways as advertising for the "The Atlantic Coast Express" route by Leonard Richmond 1896 - 1965 to paint Devon and Cornish views in the then fashionable Art Deco Style of the period.

A common enough post card of Charmouth dated 1907 what is interesting is that a house is actually named **Mintaka** which is on The Street. I wonder what was the news from "India"
